

FACEBOOK MESSENGER APP

1. Open the Facebook Messenger app.
2. Use icons located on the bottom bar to navigate through this app:
 - a. Select "Recent" to view past conversations. Select the appropriate person to continue a chat. If you would like to start a new chat, select the notepad icon and type a new name in the "To" box.
 - b. Begin group chats by selecting "Create." Here, you can have family conversations and chats with different friend groups.
 - c. "Messenger" shows you other friends who have the Messenger app. "Active" shows you friends who are online. To view other people who are online, make sure you are too by switching the button, so it is green.
